

## Scorpion Zero

Off-Road

On-Road

High Performance

A unique, ultra high performance tyre for the latest generation sport utility vehicles and light trucks. Designed for on-road use, Scorpion Zero offers high speed comfort, low noise levels, precision handling and quick steering response. Its technical characteristics ensure maximum performance, safety and excellent traction.

Tread pattern: The exclusive "Z" tread pattern, low profile and characteristic yellow scorpion on the sidewall, make this eye-catching design the ideal choice for the ultimate 4x4 change-overs, including those with wider alloy wheels. A class leader, Scorpion Zero gives expression to the most powerful 4WD with all the Pirelli style and safety.

### Tread pattern

"Z" shaped transverse tread blocks. Longitudinal grooves and rounded shoulder blocks
